SECTION 1: Protecting your information

We take important steps to protect your personal information. We treat it as confidential. We tell our employees to take care in handling it. We limit access to those who need it to perform their jobs. Our outside service providers must also protect it, and use it only to meet our business needs. Insurer Disclosure of Important Policy Provisions
For Residents of California

As used in this disclosure, terms that appear with initial capitalization are defined in the Policy, including any endorsements attached to the Policy.

- The Policy is underwritten by Metropolitan General Insurance Company.

- You have 30 days from the day You receive Your Policy to review it and return it to Us if You decide not to keep it. You do not have to tell Us why You are returning it. If You decide not to keep it, simply return it to Us at the address shown on Your Policy or You may return it to the agent/insurance producer that You bought it from as long as You have not filed a claim. You must return it within 30 days of the day You first received it. We will refund the full amount of any premium paid within 30 days after We receive the returned Policy. The premium refund will be sent directly to You. The Policy will be void as if it had never been issued. (This provision only applies to the initial policy that We issue to You with a one year Policy Period; it does not apply to renewal policies).

- The Policy covers Illness. An Illness may include a physical sickness, infirmity or disease due to:
  - a hereditary disorder;
  - a congenital anomaly or disorder; or
  - a chronic condition.

- The Policy excludes coverage for a Pre-Existing Condition.

- Other exclusions may apply. Please refer to the Limitations and Exclusions section of the Policy for more information.

- The Policy may include:
  - a Waiting Period;
  - a Deductible;
  - a Covered Percentage; or
  - a Policy Limit.

- Depending on the Policy coverage, the following formula is generally used as a basis to which We determine claim payments, up to the Policy Limit, if applicable:

  (Total Treatment Cost **–** Deductible) x Covered Percentage = Claim Payment

  If You elect to receive coverage for Preventive Care services under a Preventive Care Coverage Endorsement, benefits will be paid, per Policy Period based on the actual costs incurred for Preventive Care services covered under the Endorsement, up to the maximum allowable amount for each type of Preventive Care service and the overall maximum amount shown in the Endorsement.

Please use the link on the main page of the MetLife Pet Insurance website for information on the Preventive Care Coverage Endorsements available, including the limits that apply.

- The Policy does not reduce coverage or increase premiums based on the Pet Parent's claim history. Premiums may increase based on:
  - a change in Your address;
  - a change in coverage; or
  - the age of Your Pet, upon renewal.

- The Waiting Period for Illness is a 14 calendar day period that begins on the date coverage first takes effect for a Pet under the Policy. Once the Waiting Period is completed for a Pet, Illnesses will be covered for that Pet, subject to the terms and provisions of the Policy. The Waiting Period does not apply to Injuries and does not apply at Policy renewal for a Pet that has already completed the Waiting Period, provided You maintain Continuous Coverage for that Pet with Us. (Note that policies with a 30 day Policy Period do not include a Waiting Period for Illness).

- The Waiting Period for Illness may be fully or partially waived for Your Pet as described below.

  For purposes of this provision, a Waiver Exam means an Exam of Your Pet, performed at Your option and expense that includes:
  - an assessment of all body systems and parts; and
  - documentation of the results, including any identified Illnesses, Injuries, and medications Your Pet takes.

  Full Waiver
  The Waiting Period for Illness will be fully waived for Your Pet, if within 7 calendar days before Your Pet's effective date of coverage, Your Pet has a Waiver Exam. This means that the Waiting Period will not apply to any Illness that first begins after Your Pet's effective date of coverage.

  Partial Waiver
  The Waiting Period for Illness will be partially waived for Your Pet, if within 5 calendar days after Your Pet's effective date of coverage, Your Pet has a Waiver Exam. In this case, the portion of the Waiting Period that remains after the date of the Waiver Exam will not apply to any Illness that first begins after the date of the Waiver Exam.

  In order for Us to fully or partially waive the Waiting Period for Illness, documentation of the Waiver Exam must be provided to Us the first time You submit a claim for an Illness.

  If You elect to exercise the waiver of the Waiting Period, please note the following:
  - if the Waiver Exam identifies an Injury that occurred before Your Pet's effective date of coverage, that Injury will be considered a Pre-Existing Condition for which there is no coverage under the Policy; and
  - if the Waiver Exam identifies an Illness that began on or before the date of the Waiver Exam, that Illness will be considered a Pre-Existing Condition for which there is no coverage under the Policy.

- When used in the Policy, the following terms will have the meanings stated below:
  - **chronic condition** means a condition that can be treated or managed, but not cured.
  - **congenital anomaly or disorder** means a condition that is present from birth, whether inherited or caused by the environment, which may cause or otherwise contribute to illness or disease.
  - **hereditary disorder** means an abnormality that is genetically transmitted from parent to offspring and may cause illness or disease.
  - **pet insurance** means an individual or group property insurance policy that provides coverage for Accidents and Illnesses of pets, and other veterinary expenses.
  - **producer** means a person licensed pursuant to Section 1625 or 1625.5 of the California Insurance Code who transacts pet insurance in California.
  - **renewal or to renew** is defined consistent with Section 660 of the California Insurance Code to mean to continue coverage with either Us, or an affiliated insurer, as defined in Section 1215 of the California Insurance Code, for an additional Policy Period upon expiration of the current Policy Period.
    If coverage is continued with an affiliated insurer, it will be the same or broader coverage as provided by Us, and You will be notified in Writing at least 20 days prior to expiration of the current Policy Period of all of the following:
    - that We have determined that We will not offer renewal of the policy;
    - that We are offering replacement with an affiliated insurer; and
    - that You may obtain in Writing the reasons for the change in insurers if You request this information in Writing not later than one month following the expiration of the Policy Period.

    Policies with a 30 day Policy Period do not renew therefore this definition does not apply to the 30 day policy.
  - **veterinarian** means an individual who holds a valid license to practice veterinary medicine from the Veterinary Medical Board pursuant to Chapter 11 (commencing with Section 4800) of Division 2 of the Business and Professions Code or other appropriate licensing entity in the jurisdiction in which he or she practices.
  - **veterinary dental care** means the prevention, diagnosis, and treatment of conditions, diseases, and disorders of the oral cavity, the maxillofacial region, and associated structures.
  - **veterinary expenses** means that the costs associated with medical advise, diagnosis, care, or treatment provided by a Veterinarian, including, but not limited to, veterinary dental care, the cost of drugs prescribed by a Veterinarian, and services provided under the supervision of a Veterinarian.

- The following definitions in the Definitions section of the Policy are revised to read as follows:
  - **Waiting Period** means the period of time specified in a pet insurance Policy that is required to transpire before some or all of the coverage in the Policy can begin. Waiting Periods may not be applied to renewals of existing coverage.
  - **Pre-Existing Condition** means any condition for which a Veterinarian provided medical advice, the Pet received treatment for, or the Pet displayed signs or symptoms consistent with the stated condition prior to the Effective Date of a pet insurance Policy or during any Waiting Period.

- The 30-Day Free Look provision is deleted and replaced with the following:

  ## 30-Day Free Look

  You have 30 days from the day You receive this Policy to review it and return it to Us if You decide not to keep it. You do not have to tell Us why You are returning it. If You decide not to keep it, simply return it to Us at the address shown on Your Policy or You may return it to the agent/insurance producer that You bought it from as long as You have not filed a claim. The premium refund will be sent directly to You. The Policy will be void as if it had never been issued.

- When used in the Policy, the following terms have the meanings stated below:

  - **chronic condition** means a condition that can be treated or managed, but not cured.

  - **congenital anomaly or disorder** means a condition that is present from birth, whether inherited or caused by the environment, which may cause or otherwise contribute to illness or disease.

  - **pet insurance** means an individual or group property insurance policy that provides coverage for Accidents and Illnesses of pets, and other veterinary expenses.

  - **producer** means a person licensed pursuant to Section 1625 or 1625.5 of the California Insurance Code who transacts pet insurance in California.

  - **renewal or to renew** is defined consistent with Section 660 of the California Insurance Statute to mean to continue coverage with either Us, or an affiliated insurer, as defined in Section 1215 of the California Insurance Statute, for an additional Policy Period upon expiration of the current Policy Period.

    If coverage is continued with an affiliated insurer, it will be the same or broader coverage as provided by Us, and You will be notified in Writing at least 20 days prior to expiration of the current Policy Period of all of the following:
    - that We have determined that We will not offer renewal of the policy;
    - that We are offering replacement with an affiliated insurer; and
    - that You may obtain in Writing the reasons for the change in insurers if You request this information in Writing not later than one month following the expiration of the Policy Period.

    Policies with a 30 day Policy Period do not renew therefore this definition does not apply to the 30 day policy.

  - **veterinary dental care** means the prevention, diagnosis, and treatment of conditions, diseases, and disorders of the oral cavity, the maxillofacial region, and associated structures.

  - **veterinary expenses** means that the costs associated with medical advice, diagnosis, care, or treatment provided by a Veterinarian, including, but not limited to, veterinary dental care, the cost of drugs prescribed by a Veterinarian, and services provided under the supervision of a Veterinarian.

- The following definitions in the Definitions section of the Policy are revised to read as follows:

  - **Waiting Period** means the period of time specified in a pet insurance Policy that is required to transpire before some or all of the coverage in the Policy can begin. Waiting Periods may not be applied to renewals of existing coverage.

  - **Pre-Existing Condition** means any condition for which a Veterinarian provided medical advice, the Pet received treatment for, or the Pet displayed signs or symptoms consistent with the stated condition prior to the Effective Date of a pet insurance Policy or during any Waiting Period. A condition for which coverage is afforded on a policy cannot be considered a preexisting condition on any renewal of a policy.

- The exclusion for "Unlicensed Veterinarians" in the Limitations and Exclusions section of the Policy is deleted and replaced with:

  Certain Providers
  Whenever this Policy requires a service to be performed by a Veterinarian, the Veterinarian must be:
  - licensed in the United States;
  - performing the service within the state or territory where he or she is licensed; and
  - acting within the scope of the license.

  A Veterinarian must not be You, Your business partner, or a member of Your immediate family or household.

- The following provision is added to the Limitations and Exclusions section of the Policy:

When the Waiting Period For Illness Will be Fully or Partially Waived

For purposes of this provision, a Waiver Exam means an Exam of Your Pet, performed at Your option and expense that includes:
- an assessment of all body systems and parts; and
- documentation of the results, including any identified Illnesses, Injuries, and medications Your Pet takes.

Full Waiver
The Waiting Period for Illness (shown on the Declarations Page) will be fully waived, if within 7 calendar days before Your Pet's effective date of coverage, Your Pet has a Waiver Exam. This means that the Waiting Period will not apply to any Illness that first begins after Your Pet's effective date of coverage.

Partial Waiver
The Waiting Period for Illness (shown on the Declarations Page) will be partially waived, if within 5 calendar days after Your Pet's effective date of coverage, Your Pet has a Waiver Exam. In this case, the portion of the Waiting Period that remains after the date of the Waiver Exam will not apply to any Illness that first begin after the date of the Waiver Exam.

In order for Us to fully or partially waive the Waiting Period for Illness, documentation of the Waiver Exam must be provided to Us the first time You submit a claim for an Illness.

If You elect to exercise the waiver of the Waiting Period, please note the following:
- if the Waiver Exam identifies an Injury that occurred before Your Pet's effective date of coverage, that Injury will be considered a Pre-Existing Condition for which there is no coverage under this Policy; and
- if the Waiver Exam identifies an Illness that began on or before the date of the Waiver Exam, that Illness will be considered a Pre-Existing Condition for which there is no coverage under this Policy.

Congratulations!

Owning a Pet is a great joy . . . and a great responsibility. At MetLife, We know Your Pet is a member of Your family. We'd like to help You protect this important family member so You can enjoy many happy and healthy years together. Let's get started . . .

This is a Policy of Pet Insurance from Metropolitan General Insurance Company for POLKA DOT, a 0 year old domestic short hair cat, who will be happily living with You at 1809 California St, Apt 304, San Francisco, CA 94109.

Insurance starts on February 25, 2026. There is a Waiting Period for Illness as follows: POLKA DOT - 0 days. Your insurance comes with a Deductible of $250.00 and Covered Percentage of 80%.

The amount We pay for all Pets insured under this Policy combined during the Policy Period is subject to a limit of $2,000.00.

Please read the whole Policy carefully to understand what We cover, limit and exclude!

How This Policy Works

In exchange for payment of the premium, We will pay for certain types of Covered Charges for POLKA DOT. The rest of this Policy describes all the details of how that works, and all coverage is subject to the limitations, exclusions, and terms of this Policy in its entirety – but basically, after You have completed the Waiting Period of 0 days for POLKA DOT (if the Waiting Period applies to the claim), and after You have paid $250.00 toward Covered Charges during the Policy Period, We will begin paying 80% of the Covered Charges up to the Policy Limit of $2,000.00, and You will pay 20% of the Covered Charges. If the amount We pay You reaches the Policy Limit, You will pay 100% of the charges that go above the Policy Limit. Please refer to the Limitations and Exclusions section of the Policy for more information on exclusions that may apply.

If (1) Your cat is less than ten years old at the time of death, and (2) Your Veterinarian is able to verify the death of Your Pet and signs the claim form, then We will pay the amount You paid to purchase or adopt Your Pet, but not more than $500. If You did not pay to purchase or adopt Your Pet, or You no longer have a receipt evidencing the amount You paid, We will pay You $150.

Grief Counseling Upon the Death of Your Pet
Certain grief counseling services are available to You at no additional premium because of Your coverage under this Policy. MetLife has arranged for these services to be provided to You through a third party service provider. MetLife is not responsible for providing or failing to provide these services nor is it liable for any negligence in the provision of such services by the third party service provider.

How Deductibles and the Covered Percentage Work

We will cover up to 80% of the cost of any Covered Charge up to the Policy Limit. There is also a Deductible of $250.00 that applies to covered services, and what We pay is subject to a Policy Limit of $2,000.00. The Deductible will apply once per Policy Period; after the Deductible is met, it will no longer reduce the amount We will pay during the Policy Period. Let's look at an example of how this works.

Suppose Your Pet swallows a toy, and the Veterinarian charges You $2,000.00 to safely remove it. We would pay a claim as follows:

(Treatment Cost ($2,000.00) – Deductible ($250.00)) x Covered Percentage (80%) = $1,400.00

In this example, We would pay You $1,400.00.

If Your Pet gets sick or Injured later that Policy Period, We will pay 80% of that Covered Charge up to the Policy Limit, because We apply the Deductible only once per Policy Period.

Your Claim History May Affect Your Deductible and Policy Limit

Healthy Pet Incentive

For each Policy Period that You receive no payments from Us for claims while You are covered by the Policy with no break in coverage, Your Deductible will be reduced by $50.00 upon Policy renewal until it results in a $0.00 Deductible. If a claim is made and You receive payment, the Deductible will revert to its original amount (the amount of the Deductible before any reductions started) for the following renewal term and the process will start over. Coverage must be continuous, with no break, for this rule to apply. Payment You receive from Us for a Preventive Care claim will not cause the Deductible to revert to its original amount.

Automatic Policy Limit Increase

If Your Policy Limit is at least $5,000, and if You have an unused amount of $1,000 or more at the end of the Policy Period, then upon renewal We will automatically increase the Policy Limit by $500 for the renewed Policy Period at no additional cost to You. The automatic Policy Limit increase will not apply if You make any change to Your plan upon renewal, or if You have less than $1,000 of the Policy Limit that is unused at the end of the Policy Period. The automatic Policy Limit increase, if applied, will not be in an amount other than $500. The automatic Policy Limit increase cannot be "stacked," meaning that if the Policy Limit already includes a Policy Limit increase from a Prior Policy, You will not receive another one.

Limitations and Exclusions

There are some things We don't cover...

Pre-Existing Conditions
We don't cover any charges incurred for a Pre-Existing Condition.

Preventive Care
We don't cover Preventive Care, except to the extent that coverage for Preventive Care is provided by a Preventive Care Coverage Endorsement, if any, that is included in this Policy. This Policy's Declarations Page shows whether a Preventive Care Coverage Endorsement is included.

Unlicensed Veterinarians
Whenever this Policy requires a service to be performed by a Veterinarian, the Veterinarian must be licensed in the United States, performing the service within the state or territory where he or she is licensed, and acting within the scope of the license.

Outside the United States
We do not cover any Treatment, services or supplies provided outside the United States.

Complications or Progression
We don't cover complications of conditions or procedures that are not otherwise covered by this Policy. Examples of this include, but are not limited to, complications from cosmetic surgery, such as tail docking or declawing, or progression of an Injury caused by an Accident that occurred before the Policy Effective Date.

Preventable or Intentional Incidents, Neglect, and Deliberate Endangerment
We don't cover Treatment for any Illness or Injury that is deliberately caused by You or a member of Your household, caused by persistent neglect, or that results from deliberate endangerment of Your Pet, such as organized fighting.

Working Pets
We don't cover Treatment for any Illness or Injury resulting from commercial use activities related to racing, exhibition of Your Pet for which You are paid, law enforcement or guarding.

Other Pets & Other Pet Parents
Coverage is only provided for POLKA DOT who must reside with You and be under Your regular care and supervision at the physical address listed on the Declarations Page.

Not Medically Necessary
Unless explicitly covered elsewhere in this Policy, We don't cover Treatment, services or supplies that are not related to an Illness or Injury, such as cosmetic or aesthetic procedures, elective surgeries, anal gland expression, nail trims and grooming, obedience training, and vitamins, Pet foods or commercial Pet diets that can be purchased without a prescription, even if recommended by a Veterinarian for Treatment of Your Pet's Illness or Injury. Claims for Pets with no symptoms are not covered.

Claims

Steps for Submitting a Claim

When You are ready to submit a claim, follow the steps below:

Step 1: Gather Proof to support Your claim. If You don't send Us all the required information, it could delay Our payment of Your claim. The Proof You must submit with the claim form includes:

- all itemized invoices and medical records from Your Veterinary Provider that cover the services for which You are filing a claim;
- all Your Pet's medical and adoption records for the twelve-month period prior to the Date of Service (applicable only if this is Your first claim); and
- any other information that is reasonably needed to support Your claim.

Step 2: Submit Your claim. You can submit Your claim electronically or via mail. Complete submission details are available on the claim form included with Your Policy or can be requested by calling 866-937-7387. Make sure Your submission is complete and that all the information is accurate.

By submitting Your claim, You agree to obtain or release all medical records We request to support Your claim. You also authorize Us to obtain all records to support the claim. Upon request, You must provide Us with Proof of identity of Your Pet as We may require.

We must receive the claim form or Proof from You within 90 days after the Date of Service. If We receive neither the claim form nor Proof within 90 days after the Date of Service We will not pay any benefit for that claim.

We will make a decision about Your claim within 30 days after We receive the claim form and all the necessary Proof that We determine We need in order to reach a decision. Any claim that is payable will be paid to You, not the Veterinarian. You are financially responsible to Your Veterinarian for payment of all Treatment.

If, at any time, We determine that the benefits paid under this Policy were more than the benefits due, We have the right to recover the amount of the overpayment from You.

Some Important Provisions

Coverage Start and End Times

Coverage begins at 12:00 A.M. Eastern Standard Time, or at 12:00 A.M. Eastern Daylight Time if Daylight Savings Time is then being observed on the Effective Date. Coverage will end at 11:59 P.M. Eastern Standard Time, or at 11:59 P.M. Eastern Daylight Time if Daylight Savings Time is being observed on the last day of the Policy Period.

Changes to Coverage

If Your address changes, You must notify Us within 30 days after the change. This may cause Your premium rate to change.

For a Policy with a 30 Day Policy Period

For a Policy with a 30 day Policy Period, no changes can be made to Your coverage under the Policy during the Policy Period.

For all other Policies

Benefit Increases are only allowed at Policy renewal. Benefit Increases means any of the following: raising the Policy Limit or Covered Percentage, decreasing the Deductible, or making any change to Your coverage that would cause Your Premium to increase. You may request to decrease Your benefits at any time. The benefit decrease will take effect on a date approved by Us. We will refund any premium that You have paid to Us that is no longer required as a result of such decrease or reduction.

A Benefit Increase upon renewal will apply to any Illness or Injury that first manifests itself after the effective date of the Benefit Increase.

During a period of Continuous Coverage, We will pay benefits for an Illness or Injury that first manifested itself during the policy period of a Prior Policy up to the policy limit that applied under that Prior Policy. If a Prior Policy with a 30 day policy period was in effect when the Illness or Injury first manifested itself, instead of basing the policy limit for that Illness or Injury on that 30 day policy, We will base the policy limit on the one year policy that was issued by Us immediately after the end of the 30 day policy.

A benefit decrease upon renewal will apply to any Illness or Injury of an insured Pet while the renewal policy is in effect, even if the Illness or Injury first manifested itself under a Prior Policy.

For purposes of this provision, when We state an Illness or Injury first manifested itself, We mean the first time, with respect to a covered Pet's Illness or Injury:

- a Veterinarian provided medical advice;
- the Pet received a diagnosis, care or Treatment; or
- the Pet displayed signs or symptoms consistent with the Illness or Injury.

Premium Rates on Renewal

When the Policy is renewed, We may change the premium rates. If the premium rates We charge for Your Policy will increase upon renewal, We will notify You in Writing not less than 30 days prior to the end of Your current Policy.

Paying Premiums

You are responsible for paying all premiums. We must receive the first payment to place coverage into effect. After that, premium payments will be due monthly unless We agree to accept premium payments on some other basis. You must pay Your premiums in full and on time to remain covered. Premiums may change during the Policy Period for changes in Your address, Your Pet's details, or other material Policy parameters.

Each premium due after the Effective Date of this Policy may be paid up to 31 days after its due date. This period is the grace period. The insurance provided by this Policy will stay in effect during the grace period. We will notify You in Writing that, if the premium is not paid by the end of the grace period, this Policy will end at the end of the last day of the grace period. If We fail to give You Written notice, this Policy will continue in effect until the date such notice is given. You are responsible for payment of premium for coverage provided during the grace period.

Policy Period, Cancellation, Renewal, and Non-Renewal

This Policy is valid for the Policy Period, beginning on the Effective Date, after which it will automatically be renewed for another year, unless We have provided notice to You that We are not renewing this Policy as explained below or the Policy has been canceled by You or by Us. You may cancel this Policy at any time. If You cancel it more than 30 days after the Policy Effective Date, We will return any leftover premium, on a pro-rata basis, that You have already paid Us. To cancel the Policy, You must notify Us in Writing that You wish to cancel the Policy, in which case the Policy will end on the date We receive Your notice or the date requested in Your notice if later.

If We choose to cancel or not renew Your Policy, We will notify You in Writing at least 30 days prior to the date the Policy will end.

After this Policy is in effect for more than 60 days, or if this is a renewal of a Prior Policy, We may only cancel for one or more of the following reasons:

1. You fail to pay Your premium by the due date;

2. The Policy was obtained through fraud, misrepresentation or concealment in Your application;

3. We have agreed to issue a new Policy with the same or an affiliated company; or

4. You fail to comply with the Policy terms and conditions in a manner that prejudices or negatively affects Our ability to properly assess or evaluate the claim or other material rights We have under the Policy.

Any cancellation will be effective for all coverage for all persons and all Pets. If this Policy is canceled, coverage will no longer be provided as of the effective date of the cancellation shown on the notice of cancellation.

Transfer of Coverage for Insured Pets

If You permanently give Your Pet to another person, You may be able to transfer ownership of this Policy to that person too. To do so, You'll have to pay any premium owed to Us, make the request for transfer in Writing, sign the request, and have the other person sign it. We may require new evidence of insurability and apply new underwriting criteria and rates if You transfer the ownership of a Pet to someone else who wants to maintain insurance coverage with Us.

If You die, Your Pet will still be covered if the premium is paid. Your rights and duties will be transferred to Your legal representative, but only while acting within the course and scope of their duties as Your legal representative. Until Your legal representative is appointed, anyone having temporary proper custody of the insured Pet will have Your rights and duties under this Policy.

This Policy cannot be transferred between different Pets. Each Pet must undergo an individual application process and underwriting review.

Assignment

Your rights under this Policy are not assignable.

Reward Offers

We, or a partner organization, may reward You by:

- providing You or a relative with things of value, including, but not limited to airline miles, memberships, merchandise, points, rewards, services, or other items; or
- making or allowing others to make on Your or a relative's behalf a charitable contribution, donation, or gift.

We might not notify You when We start or stop providing any rewards.

Appealing a Claim

If We deny all or part of Your claim, You may appeal the decision. You must submit Your appeal to Us at the address indicated on the claim form within 90 days after You receive Our initial determination. Appeals must be in Writing and must include at least the following information:

- Your name;
- The name of Your Pet;
- Identification of the claim denial You are appealing; and
- An explanation of why You believe the denial was incorrect.

As part of Your appeal, You may submit Written comments, documents, records, or other information relating to Your claim.

Upon receipt of Your Written appeal submission, We will acknowledge receipt of Your appeal within five business days. You will receive Our final decision within 45 days after We receive Your Written request for review.

If We need an extension because You don't provide Us with sufficient information, We may need up to an extra 45 days to review Your appeal. The time period from when We tell You We need additional information to when We receive the requested information does not count toward the time allowed for Us to make a final decision. When You receive notice from Us that We need additional information, You must provide the information to Us within 45 days or We will deny Your appeal.

If We deny the claim on appeal, We will send You a final Written decision that states the reason why the appeal is being denied and references any specific provisions of this Policy on which the denial is based. Upon Your Written request, at no charge to You, We will provide You with copies of documents, records and other information relevant to Your claim.

If You disagree with Our decision on the first appeal, You may request an external review. You must do this within 30 days of the date of the first appeal decision. You will be responsible for the expense of the external review. An impartial Veterinarian will conduct the external review. The impartial Veterinarian will be selected by Us, but will be independent of Our company and You; the impartial Veterinarian will be someone who is not controlled by Us, and who has not been a part of Your Pet's veterinary team previously. We will provide the decision to You within ten days of receiving the independent Veterinarian's report.

The preceding page is the last page of the policy. Any additional information that follows is not part of the policy.
